

CAS Newsletter - August 2024

Dear Members,

I must apologise that August's Newsletter is late, but our internet was down for two weeks and then we went on holiday.

The winner of the President's Award at our Annual Exhibition was Mike Johnson with his oil painting 'Coffee Shop', the Visitor's Favourite at the Annual exhibition was Kerry Vaughan with her pastel painting 'Reynard' and Pam Osbourne came second and third with her paintings 'From the Downs to the Sea' and 'Where the Curlew Calls'. Here are photographs of both Mike and Kerry receiving their awards from our President Andrew Pearson.

As always we had some wonderful submissions for the Man Made Environment Award. It was won by Chloe Gerhardt with her painting of 'Bosham Quay Low Tide' and Anna Bloomfield was a very worthy runner up with her painting 'Beach Huts'. Here are photographs of them receiving their awards:-
