

## CAS Newsletter – January 2024

Dear Members,

I hope you all had a wonderful Christmas and that 2024 is a happy and artistically productive year for you.

You will receive your programme/Membership card digitally when you pay your subs, but in the meantime the 2024 programme is on the CAS website [chi-art-soc.org](http://chi-art-soc.org)

Our first meeting is on the morning of **Thursday 4<sup>th</sup> January when Roger Dellar** will be demonstrating Musicians in Oils with an emphasis on lost and found edges.

He will be doing a follow up workshop on Thursday 25<sup>th</sup> Jan. If you are planning on doing this workshop, please make sure you have signed up with Julie and paid or made a bank transfer.

On the evening of **Thursday 18<sup>th</sup> January CAS member Rob Corfield** will be demonstrating his approach to enjoying painting in acrylics. Rob sells lots of his paintings, so you could pick up a few tips at this demo. Take a look at his work under the name **artybodger** on Instagram.

**Painting with Friends starts again on Tuesday 9<sup>th</sup> January.** If you haven't been before why not make coming along and giving us a try your New Year resolution. We are a very friendly and welcoming group of mainly CAS members. Why not bring a friend along, you do not have to be a member to take part.

It runs from 1.00pm to 4.00pm and costs £4 a session, paid on a drop-in basis.

You can paint in any medium, but please be mindful that if you paint in oils some members may be allergic to solvents such as turps.

Looking forward to seeing you all on the 4<sup>th</sup> and best wishes for the New Year,

Maggie
